Patient name and address

Dear Patient, (name used in correspondence)

Thank you for agreeing to be part of our patient participation group. We are now planning another questionnaire for our patients and, to ensure we ask the right questions, we would like to know what you think our key priorities should be for this year.

As you know we need to agree the question areas with the PRG prior to sending out the questionnaire to the wider audience and so would be grateful for your thoughts by the end of September.

We are happy to take your comments by post, in person or by e-mail to patient.participationgroup@dorset.co.uk

With many thanks.

Yours sincerely

Dr. Martin Hughes & Partners
